“The Tradition Lives On...”

is the theme of the **97th Putnam County Agricultural & Industrial Fair**. Again, we feature the premier exhibit at the fair – a replica of a real barnyard right here in Putnam County during the 1940s and '50s.

Grand Ma’s Barnyard is a multifaceted, interactive series of exhibits throughout the fairgrounds showing that ***“The Tradition Lives On...”***. It was created from the memory of Fair Board President, John Allen and his Grand Mother Maude Chaffin Allen’s 1940-1960 Barnyard on the north side of town. It was created under the leadership of Susanna Clouse, Jeremy Glascock, David Clouse and their families.

It was created through a partnership between the Putnam County Fair, Schools of Agriculture & Human Ecology at Tennessee Tech, UT Putnam County Extension Service, the Department of Plant Sciences at UT Institute of Agriculture, Putnam County Farm Bureau, Putnam County Master Gardeners and the Middle Tennessee Antique Engine & Tractor Association.

And just like Grand Ma’s Barnyard, the Putnam County Fair tradition lives on!

Tennessee Association of Fairs

The Tennessee Association of Fairs fosters the improvement and continuing Legacy of county fairs in Tennessee along with support from the TN Department of Agriculture.

The Association did not meet in 2020 because of COVID.

“Now the entire state knows, what we have known all along – we have the best county fair in the State of Tennessee!” John Allen, President

A Message from the TN Commissioner of Agriculture

Dear Friends:

Welcome to the 2023 Putnam County Agricultural and Industrial Fair.

There's no better setting to appreciate agriculture and forestry than at Tennessee's fairs. People have a chance to showcase their talents through exhibits and competitions. It's a family-friendly environment where agriculture's importance to our food, fiber, and wood products is displayed.

This year's theme, "**The Tradition Lives On**" emphasizes the history and legacy of this beloved event. Be sure to spend time at one of the premier exhibits, **Grand Ma's Barnyard**, which features an array of farm animals, live demonstrations, and antique farming equipment.

Congratulations to the volunteers who plan and manage the Putnam County Fair. Their efforts were rewarded with the title of **Champion of Champions Premier Fair** at the 101st Celebration of the Tennessee Association of Fairs. The Putnam County Agricultural and Industrial Fair also earned first places in 2023 for fair poster, scrapbook, media promotion, recycled product, and season pass.

Join your family and friends at the award-winning Putnam County Fair to experience the exhibits, food, competitions, and shows. You'll be glad you came.

Sincerely,

Charlie Hatcher, D.V.M.

Tennessee Commissioner of Agriculture

Fair Volunteers

The 97th Putnam County Agricultural & Industrial Fair will feature six outstanding volunteers who collectively have given more than 80 years of service to the fair.

Craig Bussell

I support the Putnam County Fair because of all my memories. When I reflect on the first time I attended the fair, I was on a date to see George Jones and Little Jimmy Dickens. Since then, my date has become my wife. I have watched my children perform in horse shows, beauty pageants, and 4-H pet shows. Our children also entered many exhibits at the fair. Our family supports the horse committee to ensure all the equine events continue. The fair is a county tradition for some, but it is a family tradition for the Bussells.

Melanie Bussell

The Putnam County Fair has provided many memories for my family and me. I have been attending the Putnam County Fair since I was a small child. As an adult, Craig and I entered our children into all of the equestrian events and 4-H events. I have served on the fair board. I continue to serve on the Horse Committee to help plan, organize, and work all horse events during the fair. I have enjoyed watching the fair grow and return to the event that I remember as a child. It is a family-friendly environment for our community with many events to meet the interest of all who attend.

Bill & Sandy Miller

Bill and Sandy Miller moved to Cookeville 12 years ago and Sandy began volunteering with the Cultural Arts Craft area. Later, they joined the Cookeville Camera Club and began volunteering with the fair's Photography Department. They love the energy of the fair, the continual improvements they saw and became invested in photographing many aspects of the fair. As a graphic artist, Sandy uses her career experience, and with their joint photography skills, they contribute these aspects to the fair. Sandy now manages the fair's Cultural Art Photography Department and its camera club volunteers.

Judy Ramsey

My volunteering at the Putnam County Fair began in 1997 when Jackie Donaldson asked me to help in the clothing Department. I have continued to volunteer throughout the years in the clothing department helping Michelle Parrott, our county FCS agent. It has been an honor to be a volunteer at the fair. All the volunteers I have worked with throughout the years have been cooperative and a joy to work with. Participating at the fair has never been work. It has always been a pleasure and enjoyment.

Lori Love

Some of my best childhood memories were showing horses and mules with my family at the fair. My mom served on the fair board for some of those years and we spent almost every day and night at the fair. When my husband Bill and I had children of our own I wanted to make sure they had the chance to make the same great memories. I began volunteering on the horse committee to ensure that agriculture remained an important part of the fair. Now I love watching my boys, Colson and Carter, enjoy some of the same events as well as new horse events as the grow up at the Putnam County Fair.

Message from Putnam County Mayor - Randy Porter

Melanie and I invite you to join us at the 97th Putnam County Fair – August 3-12, 2023 – our “Champion of Champions” Fair. Since 1856 residents of Putnam County and the Upper Cumberland have been pausing at this time of year to celebrate the harvest and be a part of the largest community event in our county – the county fair.

The Fair Board has again planned a great program of events, activities, shows, and motorsports for the entire family. Over 150 live demonstrations, 6 horse shows, livestock, and dairy shows – hogs, goats, dairy goats, chickens and sheep.

Over 125 local businesses and individuals have contributed to the support of the fair which allows the fair board to keep admission at \$5. Over 500 volunteers will manage a piece of the fair – and the best junior fair board of 30 young people can't wait to greet you and tell you about their fair.

Melanie and I hope to see you at the fair – don't miss the 97th Edition of a great county fair right here in your hometown.

Randy Porter, Putnam County Mayor

MEMORANDUM
TO: Fair Officials

DATE: February 8, 2023
FROM: Samantha Beaty, DVM; *State Veterinarian*

Enclosed is a summary of Tennessee Fair Regulations - health requirements for livestock at fairs & exhibitions.

Special Comments:

1. It is expected that all exhibitors will bring only healthy animals to fairs and exhibitions. Although state and federal animal health officials will be performing some inspections, **fair officials are responsible** for ensuring that all animals entering fairs for exhibition are in overall good health and are accompanied by a Certificate of Veterinary Inspection. Animals showing clinical signs of contagious disease should be sent home immediately. Violations should be reported to the state veterinarian or his agent.
2. Certificate(s) of Veterinary Inspection are to accompany all animal(s) to the respective shows with the exception of in-state Tennessee equine and poultry. In-state Tennessee equine six (6) months of age and older must have a negative Equine Infectious Anemia test within the preceding twelve (12) months. Poultry assembled at shows or exhibitions should be accompanied by evidence of a negative test for Pullorum-Typhoid within 90 days, or **be tested on-site prior to exhibition following strict biosecurity procedures**, or originate directly from a flock which has been certified as Pullorum-Typhoid Clean under the Tennessee Poultry Improvement Plan. As part of increased awareness and surveillance for Avian Influenza and other poultry diseases, all birds' physical appearance should be assessed at the time testing is conducted.
3. Health certificates issued in satisfaction of these Tennessee Fair Regulations shall be good for **90** days for Tennessee livestock only.
4. Please note exhibition requirements for out-of-state livestock are same as regular import requirements.
5. **Warts and ringworm are considered contagious and infectious diseases and are permissible exclusions only if considered inactive by the issuing veterinarian and noted as such on the Certificate of Veterinary Inspection.**
6. **Scabies, contagious ecthyma (soremouth), footrot, cutaneous fungal and bacterial infections (i.e. club lamb disease, caseous lymphadenitis) are considered contagious and infectious diseases, and are permissible exclusions only if considered inactive by the issuing veterinarian and noted as such on the Certificate of Veterinary Inspection.**
7. **Avian Influenza – All out-of-state poultry must originate directly from a Pullorum-Typhoid Clean Flock and a H5/H7 Avian Influenza Clean Flock, or be accompanied by evidence of a negative Pullorum-Typhoid test within ninety (90) days and a negative official Avian Influenza test within twenty-one (21) days.**

Also, please note that if highly pathogenic Avian Influenza is detected in Tennessee or a neighboring state, the commingling of poultry at fairs and exhibitions may be suspended.

Fair Biosecurity

Below is a summary of recommendations for fair management by the National Assembly of State Animal Health Officials and the National Association of State Public Health Veterinarians to better protect fair attendees from disease:

- Provide easy access to hand washing stations.
- Post informational signage that includes the following messages:
 - No eating or drinking in the animal areas.
 - Wash hands frequently.
 - No pacifiers, sipping cups or strollers in the animal exhibition areas.
- Discourage sleeping in the animal exhibition areas.
- If human or swine influenza-like-illness is associated with the exhibition, animal health and public health officials should be notified immediately.
- People who have influenza-like illness should leave the exhibition immediately and seek medical care. They should advise their health care provider about their fair attendance.
- People at high risk for developing severe complications from influenza should limit exposure to swine.

Also, be aware of the potential exposure of attendees to E. coli 0157 from animals exhibited on grounds.
Please retain this material for reference during the 2023 fair season.

Putnam County Master Gardeners

2023 Putnam County Master Gardeners Officers:

Brant Wheeler - President, Gale Mentzer - Vice-President, Nancy Lewis - Secretary, Jane Creek - Treasurer

The Putnam County Master Gardeners (PCMG) is a volunteer organization that is designed to serve the public with quality horticulture information through educational programs, outreach, and demonstrations. PCMG is a group of devoted volunteers who work under the direction of the University of Tennessee and their local UT Extension Office to develop horticulture programs for the community.

This year we have assisted with the Putnam County School's annual Farm Day, given talks and demonstrations to clubs and school groups, maintained the Farmer's Market Garden, and maintained the flowers at the Depot Museum.

We offer 40 hours of classes beginning in January that would interest all levels of gardeners. We welcome everyone to sign up.

We are especially looking forward to participating in the last Putnam County Fair at its current location. Please come by our building located behind the south grandstand. We will be there to meet you, give you a tour of our show garden, answer your plant questions, and give demonstrations. **See you at the fair!**

LINCOLN

of Cookeville

WELCOME TO THE FAIR!

Ford Lincoln of Cookeville is honored to be a primary sponsor of the Putnam County Fair. We are committed to invest in our community, and we are thankful for an in-person event again this year! The Putnam County Fair is a partnership we have valued for years, and we celebrate the rich heritage this event has. We appreciate the fair board, and the efforts of all who make this event a great success year in and year out. We know that this event brings people together, and it creates memory-making moments for families.

At Ford Lincoln of Cookeville, we value family, and we take pride in taking care of all who encounter our team LIKE family. We also value excellence, and we're proud to have once again received recognition this year as one of the nation's top Ford dealerships. For the third year straight, we earned the One Ford Elite award. This award signifies our position in the upper echelon of Ford dealers across the United States in multiple categories. We also are proud to have received Ford Motor Company's President's Award for the FIFTH year running. These awards are hard to come by, and they require integrity and discipline.

We are so thankful for our team who exercises excellence daily. More importantly, though, we are blessed to live in a supportive community. We thank each customer who has allowed us the opportunity to care for them. From sales, to service, to parts, we want to provide you with an incredible experience.

We hope you and your family have a wonderful time at the fair, and we look forward to seeing you at our dealership soon. Stop by anytime to see for yourself why we're an award winning team.

Very Best,

Geoffrey Root
