## LESSONS LEARNED ALONG THE YELLOW BRICK ROAD

### Learning is Important!

"A baby has brains, but it doesn't know much. Experience is the only thing that brings knowledge, and the longer you are on earth the more experience you are sure to get."  
--L. Frank Baum from the The Wonderful Wizard of Oz

Information Day, January 20, 2023, was just what I needed to get inspired for Leadership Retreat and all our state and region projects, to be the best we can be in FCE!

We had an awesome day visiting with old and new friends; 115 members and 19 agents were in attendance. Thank you to Franklin County for hosting our break with delicious versions of dewdrops, mist-cakes and cloud-buns. Coffee never tasted so good!

I was honored to introduce the new Board of Directors and our fabulous agent advisors and our fun theme for 2023, "There's no Place like Home in FCE".

We experienced some great learning opportunities about our various roles in FCE leadership, as well as the interesting leader lessons that were presented by extension.

So here's the challenge, please take all that information that was presented and share with your local club members and get everyone on board for an exciting journey down the yellow brick road. That road that leads us to everything happening within the Central Region FCE in 2023!!

## MEMBER APPRECIATION

TAFCE Conference 2022

What wonderful memories we made as we Saddled Up with FCE at the Franklin Marriott. 229 registered to attend from across the state. 111 evaluations were turned in, 47 stated that reuniting with friends was their main and most rewarding reason to come to conference! Other areas that ranked high were great theme, prom meal, fashion revue, hospitality room, great teachers for creative craft, walk-in and education sessions, region breakfast, Cowboy Dan, and last but not least, excellent conference leadership and workers!

## MEMBERSHIP SPOTLIGHT

Let's put our thinking caps on, get wizardly and begin to find new ways to invite friends and ignite members to participate in our club and community events. What are YOU going to create and showcase this year at Cultural Arts and Fashion Review? Where will we SNAP you?

## CHARACTER TRAIT- LOYALTY

A loyal person is supportive of an organization and its mission. When Americans recite the Pledge of Allegiance, it is a show of loyalty to the United States of America. Loyalty for the FCE organization is demonstrated by the level of participation in FCE programs and the positive attitude of FCE members. Someone who is loyal can be trusted with sensitive information and is more likely to stay on a long-term basis.

How can we build loyalty within our FCE clubs/organization?

- Collaborate with other FCE members and FCS agents.
- Invest just as much time and resources (maybe even more) in retaining members as in adding new FCE members.
- Know what our FCE members value.
- Provide consistently good FCE programs and activities.
- Put information about FCE programs and activities on the website for easy access.
- Seek out FCE member complaints and stay responsive.
- Serve in leadership roles with competence and warmth.
- Regain lost FCE members.

*Mary Alice Weber, President Advisor*

Creativity is intelligence having fun.

Did you get snapped at our last event? Check out the photos below and also our social media to see if you were snapped!
